

# How to view cases that you've lodged and paid for on CourtSA.

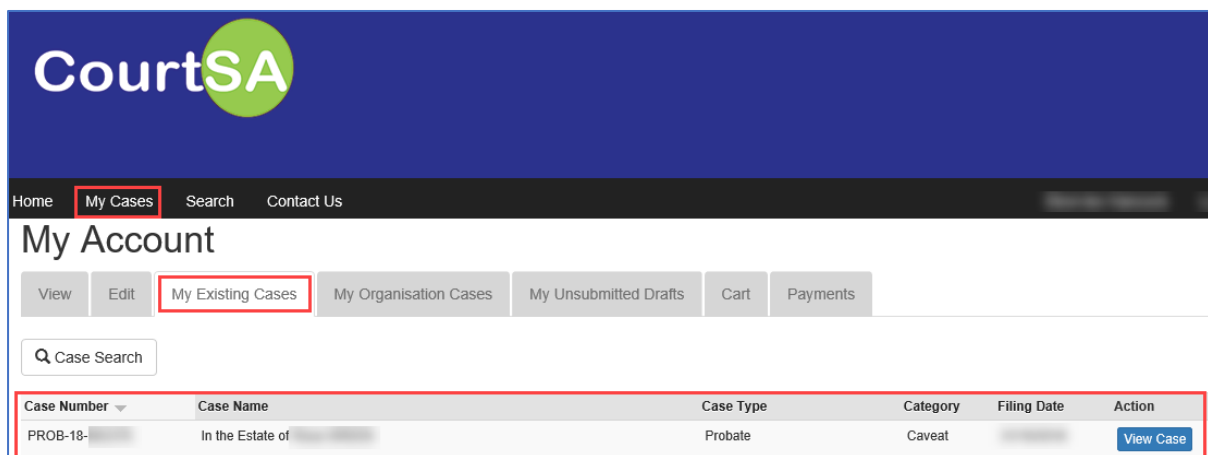

- Cases you've lodged and paid for using CourtSA are able to be viewed by the lodging party.
- If you require access to a case that you have not lodged, refer to the **How to Request access to a case** information.

## Launch CourtSA

1. Click **Login & Log into your account.**

2. Select **My Cases**
3. Select **My Existing Cases**

A list of cases you have lodged will appear for you to work with.
