Evidence as to whether deeds etc referred to in a will constitute part of will

Evidence refuting attempted revocation of will

(2) Where a grant of administration has been made to two or more persons under Rule 49.08(c) and an administrator dies or is no longer *sui juris* the Registrar may appoint a substituted administrator.

(3) On the appointment of a substituted administrator the Registrar may direct that a note shall be made on the original grant of such appointment or the Registrar may impound or revoke the grant or make such other order as the circumstances of the case may require.

49.10 An application for permission to sue on a guarantee given for the purposes of sections 18 and 31 of the Act shall, unless the Registrar otherwise directs, be made by summons to the Registrar, and notice of the application must be served on the administrator, the surety and any co-surety.

Provided that if there is any person who is not sui juris, and who may in the event of an accretion to the estate become entitled to participate in distribution, the proposed administrator must give an undertaking that in such a case he or she will forthwith provide a guarantee or make an application to the Registrar to dispense with a guarantee;

FORM 1**Rules 17, 18, 19 and 20****AFFIDAVIT OF DUE EXECUTION**

**South Australia
In the Supreme Court
Testamentary Causes Jurisdiction**

In the Estate of A.B. deceased

I, C.D. of [*address and occupation*] make oath and say that:

- 1 I am one of the subscribing witnesses to the [codicil to the] last will and testament (“the document”) of A.B. late of [*address and occupation*] deceased (“the deceased”) the document dated the day of19... being now produced to me and marked “A”.
- 2 The deceased executed the document on the above date [*or on the day of 19...*] by signing his [her] name [*or by making his [her] mark*] at the foot or end of the document [*or as the case may be*] as the same now appears on it in the presence of me and of E.F. the other subscribed witness to the document both of us being present at the same time and we then at the request of the deceased attested and subscribed the document in the deceased’s presence.

If the deceased acknowledged his [her] signature to the attesting witnesses then for paragraph 2 above substitute -

- 2 The deceased executed the document on the above date [*or on the day of 19...*] by acknowledging the signature “AB”, as the same now appears at the foot or end of the document [*or as the case may be*] to be his [her] signature in the presence of me and of E.F., the other subscribed witness to it, both of us being present at the same time, by producing the document to us and pointing to his [her] signature which was clearly visible and saying to us “Will you witness my signature to my will [*or as the case may be*] and we then in compliance with his [her] request attested and subscribed the document in the deceased’s presence.

If evidence is required to show that the deceased had knowledge of the contents of his [her] will [or codicil] at the time it was executed the following additional paragraph should be added -

- 3 Prior to the execution of the document by the deceased I read the document over to him [her] [*or the document was read over to him [her] by E.F. in my presence*] [*or the deceased read over the document in my presence*] [*or as the case may be*] and the deceased at such time appeared thoroughly to understand the same and to have full knowledge of its contents.

If evidence is required to show whether an unauthenticated alteration was present at the time the will was executed, then the following paragraph may be added or substituted as the case may require -

- 4 Having observed the alteration made to the document by the interlineation of the words between the and the lines of the page of the document [*or as the case may be*] I am able to say that those words were written and made in the document prior [*or subsequent*] to its execution [*or that I am unable to say whether those words were written and made prior or subsequently to the execution of the document.*]

Notes

- 1 *If the deceased died on or after 1st July 1994, it is not necessary for the formal validity of the will or codicil (irrespective of the date on which it was executed) for it to have been signed at “the foot or end thereof”. Section 8 of the Wills Act, 1936 (as substituted by section 5 of the Wills (Miscellaneous) Amendment Act, 1994) makes no stipulation as to the position of the deceased’s signature. However, “it must appear on the face of the will or otherwise, that the testator intended by the signature to give effect to the will”. Additional affidavit evidence may therefore be required to show that the deceased intended to give effect by that signature to the document signed as his or her will or codicil.*

- 2 *Acknowledgment of a previously subscribed signature by an attesting witness is now permitted in respect of a will or codicil of a testator dying on or after 1st July 1994. In such circumstances paragraph 2 of the affidavit should be modified as the case may require.*
