Courts Administration Authority Speakers Bureau

Do you need a guest
speaker?

Are you interested in
learning about the courts
in South Australia?

The CAA is committed to effective communication with the community, in various ways, including through a Speakers Bureau.

The Bureau is a free service available to community groups, such as service clubs and civic organisations.

Speakers have expertise in a range of areas, including:

- Sentencing
- Separation of powers
- Independence of the judiciary
- Problem solving Courts
- Juvenile justice
- Industrial Court
- The jury process
- The Coronial process
- The Court order enforcement process

Speakers are able to talk about various aspects of the work of the Courts **but are not able to comment on specific cases or to provide any legal advice.**

A request for a speaker does not automatically involve a judicial officer. It will depend on the expected size of the audience, whether the event is at night and the location of the venue. It is possible to arrange a talk in a regional area.

To schedule a speaker

To arrange for a speaker for your club or civic organisation, or to ask any questions about this pamphlet, contact the CAA Media and Communications Office by:

Phone: 08 8204 0403 or

Email: media@courts.sa.gov.au

Please allow six weeks before the date requested.
