Important Note

The requirements of s.11(9) of the *Bail Act* are such that if it becomes apparent that the defendant is not going to be able to arrange bail in the terms certified above, then arrangements should be made for him/her to be brought back before the Court as soon as possible for the conditions to be reviewed.

In any event, if the defendant is not successful in arranging bail, then he/she must be brought back before the Court for the conditions to be reviewed within five days of the date of this warrant.

Prisoner movement arrangements should be made with the Court on the day preceding the defendant's Court appearance. If (after reviewing bail conditions) the Court declines to vary the bail conditions certified on the warrant, no further review is required.
