Disqualification Notice No.			Brief No.			
-----------------------------	--	--	-----------	--	--	--

On the        day of        20        , a member of the South Australian Police issued and handed me a Notice of Disqualification/Suspension pursuant to s 45D of the *Road Traffic Act 1961* and I have not been given an expiation notice, or it has been withdrawn, or I have elected to be prosecuted. The date of commencement of the Notice of Disqualification/Suspension is        .  
 (a copy of the Notice must be attached)

I apply to the Magistrates Court for the following order:

That I am not disqualified/suspended as there is a reasonable prospect that I would be acquitted of the offence; or

I have not been charged with any offence to which s 45D applies and the prosecution authorities have had a reasonable time in the circumstances, within which to make a determination as to the laying of charges against me.

The grounds for the application and the evidence that will be relied upon are:

I have not received a summons charging me with any offence which relates to the Notice of Disqualification/Suspension served on me.

I have/have not received a notice from the Registrar of Motor Vehicles containing particulars of my licence disqualification/suspension.  
 (If available, a copy of the documents must be attached)
